Elongation	Approximately 300% (ASTM D412) at 21 days cure

Indicative data only, not intended for preparation of specifications

### How To Use

#### Directions

**Use in a well ventilated area. Avoid contact with skin and eyes.**

#### Application

1. Clean surface with turps and dry.
2. Cut nozzle at 45° angle, cut cartridge tip and fit nozzle.
3. Place in caulking gun, and apply with steady pressure, ensuring sealant is pushed into the joint.
4. Tool with a spatula dipped in detergent water within 5-10 minutes of application.
5. Clean up with turps before product skins.
6. Sealant will cure in 72 hours.

### Clean Up

Uncured product may be removed with mineral turpentine. Cured product can be removed with Selleys Silicone Remover or by cutting and scraping.

### Handy Hints

- For neater joints, mask sides before applying sealant and remove tape before sealant skins.
- <sup>3</sup>Sealant must be cleaned regularly to avoid build-up of soap scum. Use **Selleys® Soap Scum Buster™** or **Selleys® Rapid Mould Killer™**.
- Coat cement/concrete surfaces with suitable paint and allow to dry before applying sealant
- Store in a cool dry place below 30°C.
- Use within 6 months of opening.

### Limitations

- Not paintable. Complete painting 7 days prior to applying sealant.
- Not suitable for aquariums.
- Not Suitable for food or drinking water contact.
- Not suitable for permanent immersion
- Not suitable for metals other than aluminium and stainless steel.

## Guarantees

25 year guarantee. When used as directed for private use and within 12 months of purchase, this product is guaranteed against crumbling, cracking or peeling away and for 5 years against mould growth. Product must be cleaned regularly to avoid build up of soap scum. If the product does not perform as specified within the relevant warranty period, we will replace the goods free of charge. To make a claim under the warranty, please contact Selleys® and provide details of your claim. You must show proof of purchase and bear all expenses in making a claim.

The benefits of this warranty are in addition to rights and remedies under any applicable law. Our goods come with guarantees that cannot be excluded under the Australian Consumer Law. You are entitled to a replacement or refund for a major failure and compensation for any other foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality and the failure does not amount to a major failure.
